November 25-26, 2011

Come join District 37 Dual Sport as we present the 28th year of the most famous and longest Dual Sport ride in the world. This year's 450 mile tour starts the day after Thanksgiving and covers some of the best off-highway trails from greater Los Angeles to Las Vegas. Your gear bag will be transported each day, so all you do is enjoy the ride. Large Adventure bikes, vintage bikes, side-hacks, and small displacement bikes are all welcome to join in the fun with the regular dual sport bikes, as long as they are street legal. The route will start this year from Palmdale Supercycles with an overnight stop in Barstow. It continues the next day to The Orleans Hotel and Casino in Las Vegas for the exciting Saturday night Awards Reception with a raffle and lots of prizes. Visit the dual sport message board at district37ama.org or check out our special website, LABarstowVegas.com, for updates or to arrange transportation for the ride. For more information, call Kieth Huff at 562-244-0244 or Paul Flanders at 626-792-7384.

Become part of the tradition and make LA-B-to-V your must-do event of the year!
